A Good Hair-Food

Ayer's Hair Vigor, new improved formula, is a genuine hair-food. It feeds, nourishes, builds up, strengthens, invigorates. The hair grows more rapidly, keeps soft and smooth, and all dandruff disappears. Aid nature a little. Give your hair a good hair-food.
Does not change the color of the hair.

Formula with each bottle
Show it to your
doctor
Ask him about it,
then do as he says

You need not hesitate about using this new Hair Vigor from any fear of its changing the color of your hair. The new Ayer's Hair Vigor prevents premature graying, but does not change the color of the hair even to the slightest degree.
—Made by the J. C. Ayer Co., Lowell, Mass.—

WEBBVILLE.

While at your town the writer heard the speeches of Gov. Hager and J. K. Hendrick, and they were two of the ever made in that town. Hendrick gave the bolting Democrats some good advice.

The Republicans nominated Garfield Moore for the Legislature and we Democrats don't want any one to run against him for we believe he will make a good road man in the Legislature, and that is about all the legislation we need now. Our county officers will not do anything except just before grand jury court scratch a little dirt in the eyes of the jurors. Our roads have not been worked for two years except four days about two weeks ago.

Have just returned from your lovely town. We had a good week of court. The writer has no complaint to make of the treatment of his clients. He beat some cases and contributed some boarders to the jailer, who is a very clever Republican and ought to have some help—especially in two such juries as we had say so.

Beautiful Spanish Dancer Gives Praise to Pe-ru-na.

NERVOUS prostration is usually the result of a vocation which requires a continual strain on the nervous system. In such cases it would be wise if a change of vocation could be made. But this is not always possible and a good tonic becomes a necessity. Peru-na is a tonic that invigorates without producing a drug habit.

Miss Pilar Monterde Praises Peru-na as a Tonic.
A letter sent to the Peru-na Drug Mfg. Co. from the popular Spanish dancer, Miss Pilar Monterde, is as follows:

Teatro Principal, City of Mexico, Nov. 3, 1905.
The Peru-na Drug Mfg. Co., Columbus, Ohio, U. S. A.
Gentlemen:
Having used your justly celebrated remedy, "La Peru-na" for some time, I have the pleasure of informing you that I consider it the best tonic I have ever used.
It is a wonderful fortifier of the nerves after exhaustion and it increases the vitality of the whole body, and in my own case has produced the most complete and permanent restoration. It is also pleasant to the taste.
I do not hesitate, therefore, to recommend this remedy to all women on the best and most pleasant tonic that they can possibly take.
Yours very truly,
(Miss) P. Monterde.

The Best Paint.

"United States" ready mixed paint is equal to the best made. In fact, it is privately guaranteed to us by the manufacturers to be identical with the same that they sell under a well known brand at a fancy price. By using the brand "United States" instead of the brand under which the leading manufacturers have made a big reputation we are allowed to sell the paint somewhat cheaper. We have a full line. We also carry the Paragon, an excellent paint.
